SCHOOL TRIP PACKAGES

At TEPfactor, teams take on **21 different challenges** across

PATIENCE SKILL FITNESS LOGIC

TEPfactor is a real-life team expedition where students navigate 21 unique rooms designed to test teamwork, resilience, and problem-solving. Each mission serves as a practical lesson in mental logic and physical coordination within a safe, supervised environment. Rather than focusing on individual superstars, the experience emphasizes how well students communicate, adapt, and support one another to succeed.
